

STAGE ONE

Round count: 10 Pistol, 10 Rifle, 4 Shotgun

Stage 1. TRUE FRIEND

Well, the Lone Ranger and Tonto are surrounded by Comanches. The Lone Ranger says, "It looks bad Tonto and I don't see any way we can escape." That is when Tonto utters the now famous line "What you mean we, pale face."

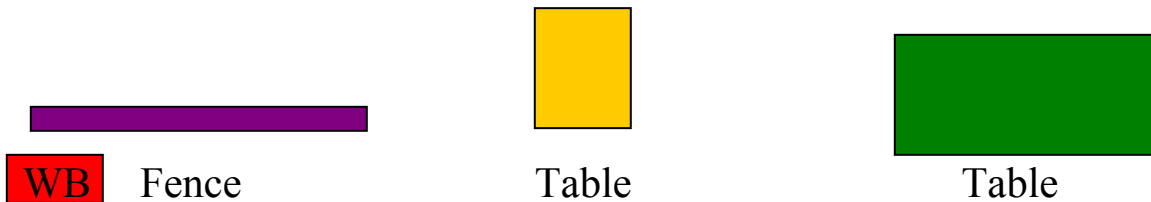

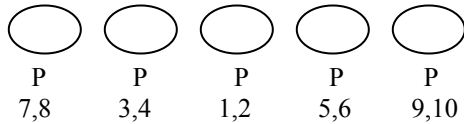

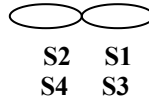

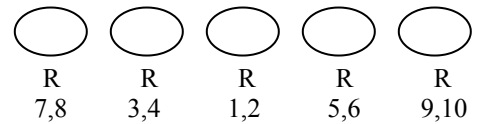

Both pistols loaded with 5 rounds, hammer down on an empty chamber and holstered. Rifle staged on the table. Shotgun staged open and empty on the center table.

Shooter starts standing behind the rifle table with both hands on your pistol grips. When ready, the shooter yells, "***What you mean we, pale face***". At the buzzer, shoot the rifle targets by single tapping the rifle targets from right to left twice. Place the rifle open and empty back on the table.

Move to the shotgun table. Pick up your shotgun and shoot the shotgun targets from **right to left** twice. Place the shotgun open and empty back on the table.

Move to the Fence. Shoot the pistol targets in the same order as the rifle targets. Holster your pistols. Wild Bunch, show pistol is clear, drop the magazine pick up your long guns and proceed to the unloading table.

STAGE TWO

Round count: 10 Pistol, 10 Rifle, 4 Shotgun

Stage 2. THE BANK ROBBERY

You have just walked out of the saloon and bullets are flying everywhere. It seems like everybody in the town is shooting. About that time a bullet whizzes past your head. Now who in hell is shooting at you. As it happens the bank across the street is being robbed and you have interrupted the gang's getaway. What can you do but shoot them all and let God sort them out.

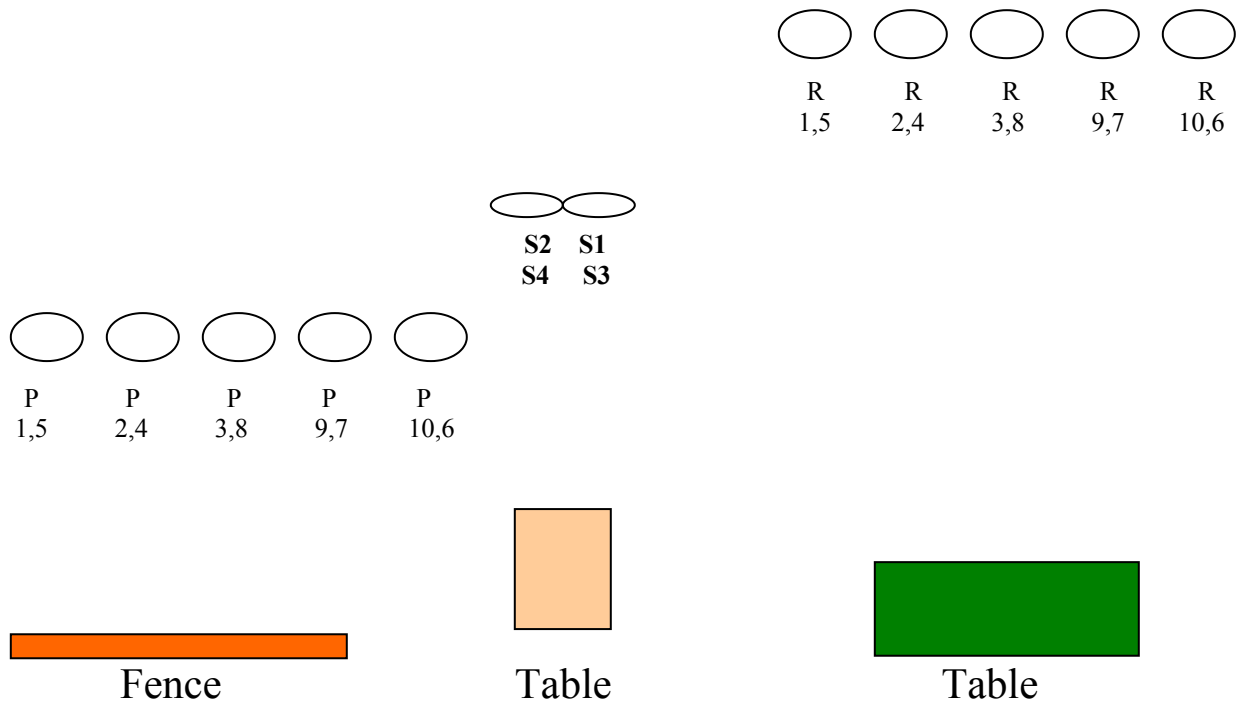

Both pistols loaded with 5 rounds, hammer down on an empty chamber and holstered. Rifle staged on the table. Shotgun staged open and empty on the center table.

Shooter starts standing behind the rifle table with both hands in full surrender position. When ready, the shooter yells, "***Kill them all, let God sort it out!***" At the buzzer, shoot the rifle targets by double tapping them in the following order, the center target, the inside left target, the inside right target, the outside left target, and finally the outside right target. Place the rifle open and empty back on the table.

Move to the shotgun table. Pick up your shotgun and shoot the shotgun targets from **right to left** twice. Place the shotgun open and empty back on the table.

Move to the Fence. Shoot the pistol targets in the same order as the rifle targets. Holster your pistols. Wild Bunch, show pistol is clear, drop the magazine pick up your long guns and proceed to the unloading table.

STAGE THREE

Round count: 10 Pistol, 10 Rifle, 4 Shotgun

Stage 3. I Hate Arrows!

Them no good, rotten, stinking apaches don't fight fair. They sneak up on you and then start shooting arrows all over the place. One goes through your saddle and sticks right in your butt. You can't get off your horse to pull the arrow out because it's holding you in the saddle. There you are like a fool sitting there with an arrow in your butt. The first person that laughs is going to get a butt full of lead.

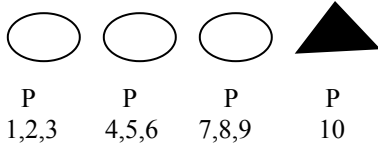

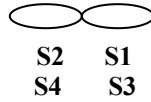

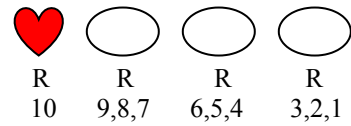

Both pistols loaded with 5 rounds, hammer down on an empty chamber and holstered. Rifle staged on the table. Shotgun staged open and empty at the center table.

Shooter starts standing at the rifle table, hands at your side. When ready, the shooter yells, "***I hate arrows!***" At the buzzer, shoot the rifle targets by first shooting the outside left target, then the inside left target, then the center target, then the inside left target, then the outside left target. Then outside right target, then the inside right target, then the center target, then the inside right target, then the outside right target. Place the rifle action open and empty back on the table.

Move to the shotgun table and shoot the two shotgun targets in two sweeps from **right** to **left**. Return the shotgun to the table, action open and empty.

Move to the Fence. Engage the five pistol targets, per your shooting category, in the same order as the rifle. Wild Bunch, show your pistol clear, pick up your long guns and proceed to the unloading table.

STAGE FOUR

Fence

Bale

Table

Round count: 10 Pistol, 10 Rifle, 4 Shotgun

Stage 4. **I DIDN'T START NOTHING!**

You have just gotten the arrow removed from your butt. Now some fool is yelling that you caused an Indian uprising. How can you start a war with an arrow in your butt? All you can do is join the fight and start shooting Indians.

Both pistols loaded with 5 rounds, hammer down on an empty chamber and holstered. Rifle staged on the table. Shotgun staged open and empty on the center table.

Shooter starts standing behind the rifle table with both hands flat on the table. When ready, the shooter yells, "***I didn't start nothing!***" At the buzzer, shoot the first three rifle targets from **right to left** in a triple tap sweep. Put your tenth round in the Heart Target. Place the rifle back on the table action open and empty.

Move to the shotgun table. Retrieve your shotgun and shoot the shotgun targets in two sweeps from **right to left**. Return the shotgun to the table, action open and empty

Move to the fence. Shoot the pistol targets by triple tapping the pistol targets from **left to right** and place your final round in the spade target. WB, show your pistol clear, pick up your long guns and proceed to the unloading table.
